SAFETY. SERVICE. QUALITY.

THE RIGHT TEAM. THE RIGHT TIME.

CHOOSE THE RIGHT TEAM

MacGREGORS prides itself on its highly skilled, diverse management team with combined 150+ years experience in Industry.

SAFETY

We maintain world class COR safety certification that is audited against the most rigorous 3rd party firms on a regular basis. Our trades professionals maintain a full array of industrial safety training courses to hit the ground running, safely and efficiently.

SERVICE

24/7/365. You call, we answer. We are ready to roll when you need us. It's as simple as that.

QUALITY

Engrained from receiving to commissioning. ISO registration and some of the world's most demanding clients make continuous improvement part of our every day mission.

FLEXIBILITY

1 Pin, 5 conveyors, or 50 buildings. Whatever it takes to satisfy your requirements, you've come to the right place.
